All students should keep an **extra set of seasonally appropriate clothes** at school in case of an accident. We have **a lot of mud** around our playground area during the spring months – it is strongly encouraged that extra clothes be kept in ALL of our student's lockers for emergencies. Labeling outerwear such as clothes, hats, coats, etc. makes it easier to locate lost items. Thank you for your cooperation.

If your child eats hot lunch at school, please contact the office to see if you currently have an outstanding balance. It is strongly encouraged that you sign up for Parent On-Line to pay for lunches and track the balance in your account. If that is not convenient for you, we do accept checks and cash turned into the office for lunches.

Please drive slowly and cautiously in our School Zone. Recently we have had some scary “close calls” with our crossing guards at Carlisle and Hoover. As the weather turns warm we will have more and more students walking and riding bikes to school. Thank you for helping to keep all of our children safe!
