ILLINOIS
SCHOOL
REPORT
CARD

GRADES : K 1 2 3 4 5

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Percent Low- Income	Percent Limited- English- Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	87.7	0.8	2.7	4.8	0.0	4.0	1.7	1.7	9.6		0.0	0.6	96.0	480
District	82.5	3.2	7.2	2.9	0.3	4.0	9.5	2.8	11.7		0.6	4.0	94.3	6,225
State	52.8	18.8	21.1	4.2	0.2	2.9	45.4	7.6	13.1		3.6	13.0	93.9	2,064,312

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

	2007 Equalized Assessed Valuation per Pupil	2007 Total School Tax Rate per \$100	2008-09 Instructional Expenditure per Pupil	2008-09 Operating Expenditure per Pupil
District	\$205,194	4.70	\$6,569	\$11,296
State	**	**	\$6,483	\$11,197

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

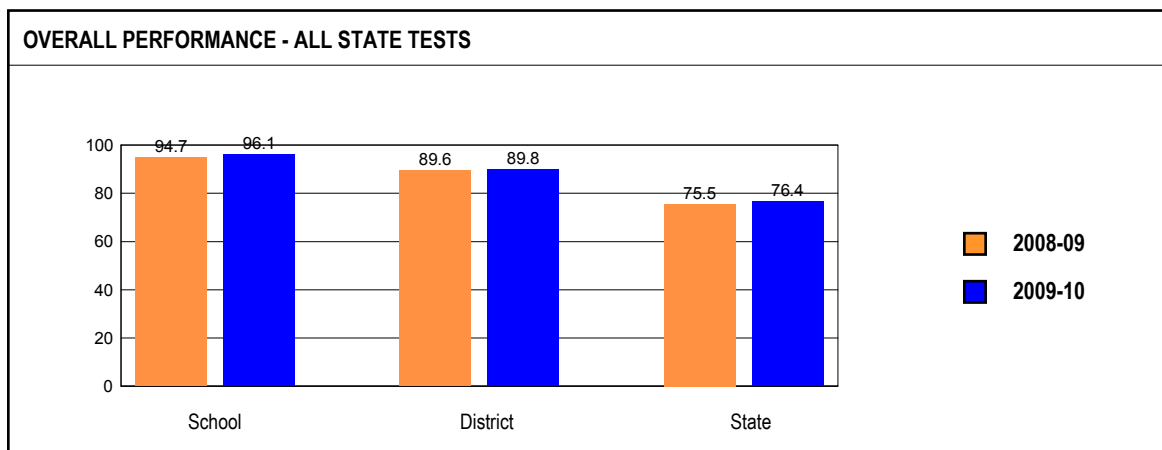

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

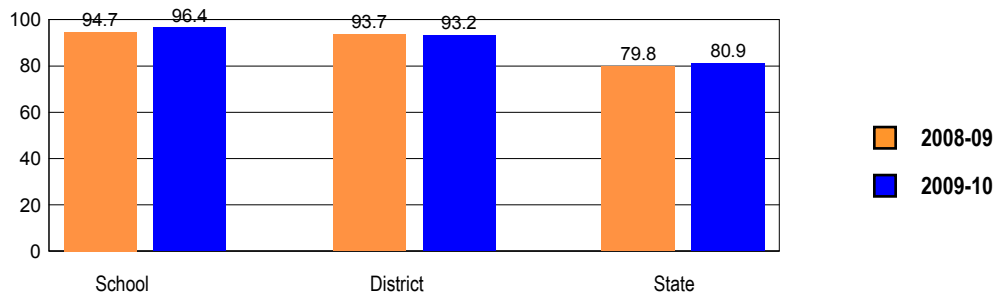

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

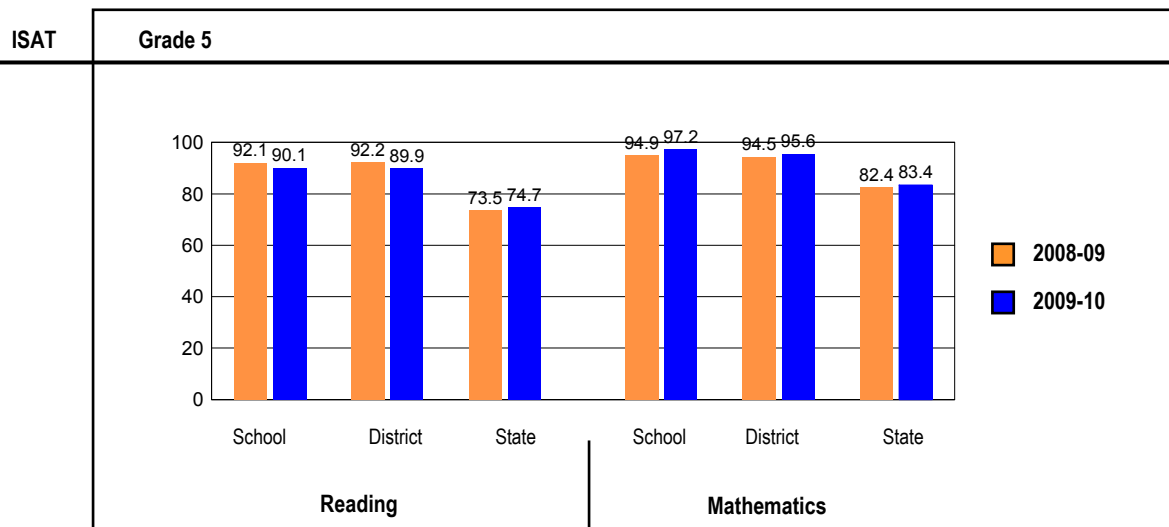

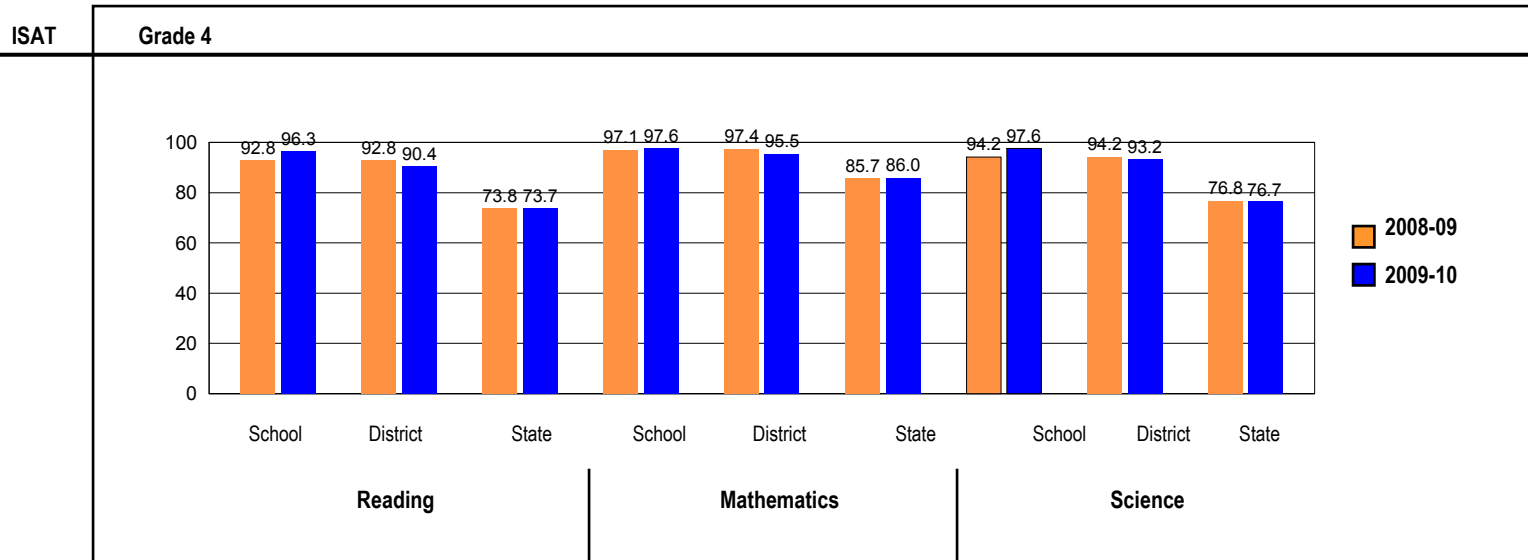

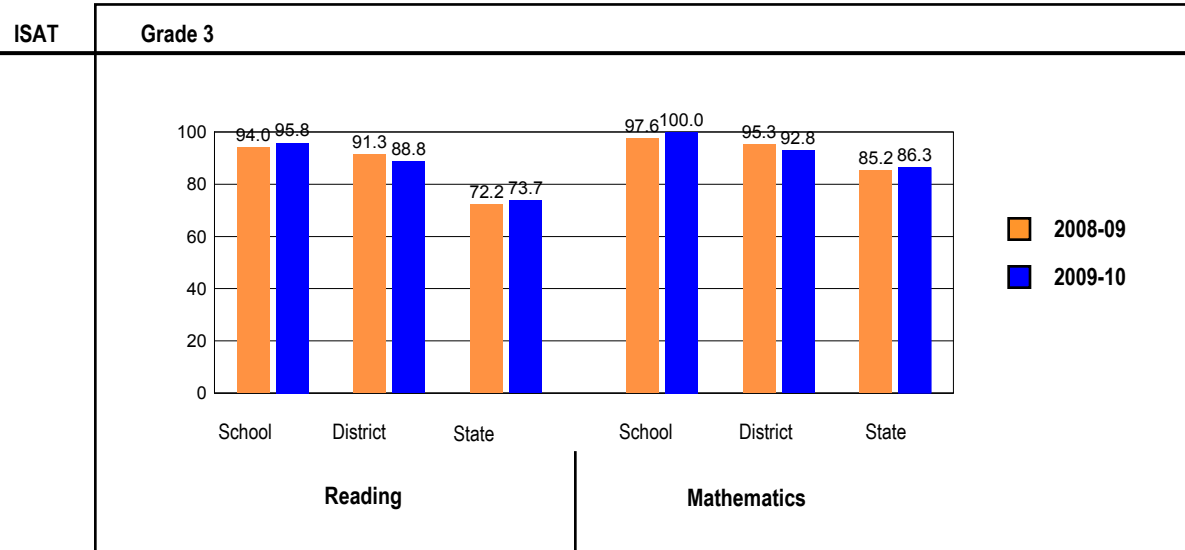

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Students with Disabilities														
Economically Disadvantaged														

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2009.

** Safe Harbor Targets of 77.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

LITERACY GOAL:

All second and third grade students will increase their ability to read and comprehend instructionally leveled text by at least 3 guided reading levels as measured by the Fountas and Pinnell Benchmark Assessment.

- Areas of Success
 - Over 90% of our students in 2nd and 3rd grade finished the year reading at or above grade level.
 - On the 2010 ISAT test, 95% of 3rd graders met or exceeded grade expectations.
 - Early literacy indicators show favorable results
 - 98% of kindergarteners met ISEL expectations by the end of 2010
 - 88% of first graders knew all 100 first grade sight words
 - 82% of first graders met district reading fluency expectations by the end of the year.
- Planned Improvement
 - Our School Improvement Team is in the process of being trained on the use of Greatest Area of Need (GAN) to assist us in determining the specific skill strands that our students are not meeting ISAT performance targets on. Our plan is to use this information to make instructional decisions, establish grade level goals and create a more skill-specific School Improvement Plan.

SCHOOL CLIMATE GOAL

After the kick off in implementation of the PBIS process, 80% of staff will report via the PBIS Self Assessment Survey that there is a system of expectations, reinforcements, teaching tools and consequences in place at Grace McWayne School.

- Areas of Success
 - Of the six areas targeted, two areas are at the 100% level, meaning all staff agree that those features are fully implemented. Two more areas are over our 80% goal and the remaining two are over 60%.
 - During the first two months of school, the average number of office discipline referrals per day dropped from 1.8 referrals per day the first month to .8 referrals per day the second month.
- Planned Improvement
 - Work still needs to be done to clarify staff understanding of student consequences for behavior and which behaviors should be managed in class and which should be managed by the office.
