

What is Pearson *Inform*?

Pearson *Inform* is a **web-based**, comprehensive performance **data analysis tool** that **puts important, actionable assessment data & student information** at the **fingertips of educators** across the campus - so that **teachers, principals, and administrators** can:

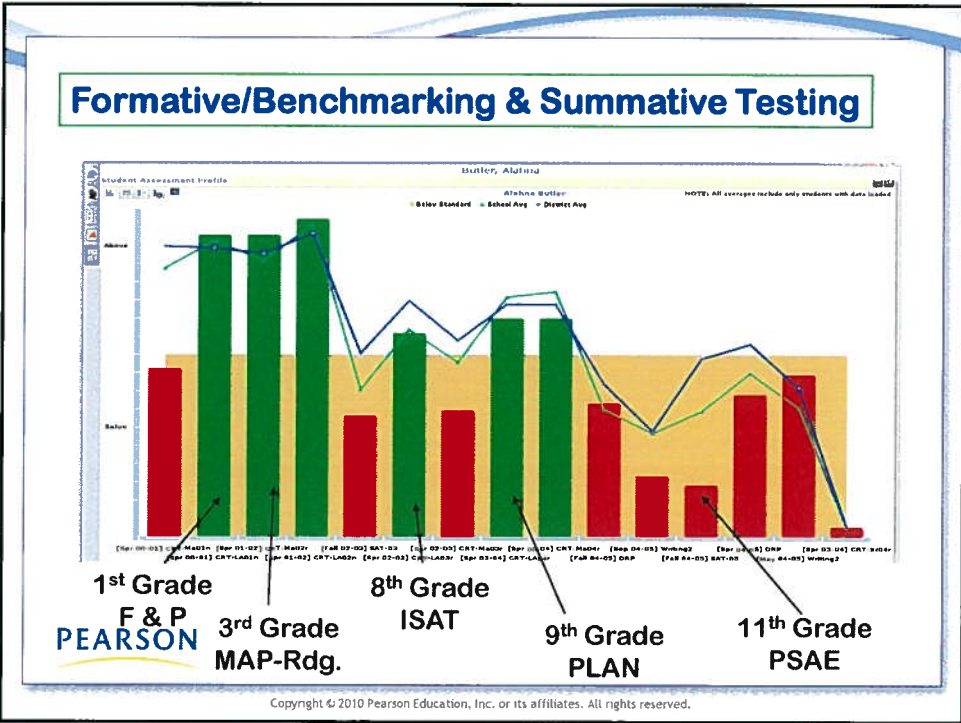

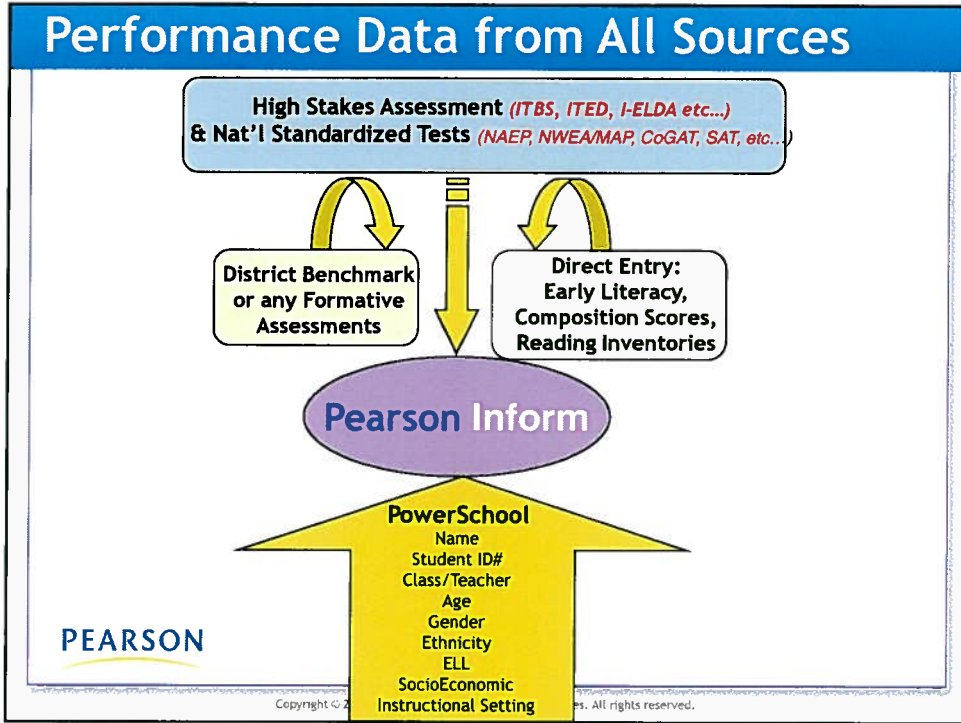

- 1. Measure Progress** against federal, state, and local mandates
- 2. Make Informed Decisions** that support collaborative planning for individual campus & district comprehensive school improvement
- 3. Target Assistance** for students, teachers, and schools
