

HOME LANGUAGE SURVEY

State Law requires the district to collect a Home Language Survey for each new student. This information is used to count the students whose families speak a language other than English at home. It also helps to identify the students who need to be assessed for English language proficiency. Please answer the questions below for each student that is being registered. If the answer to either question is "Yes", the law requires the school to assess your child's English language proficiency.

Is there a language other than English spoken in your home? Yes No

If Yes, which language? _____
