

## VISION

Batavia Public Schools will be a district recognized for excellence in our commitment to students, collaborative culture, and continuous improvement. Our core values related to excellence are reflected in our commitment statements.

### **We commit to students and their learning by**

Maintaining a culture of growth and achievement with high expectations for all students and staff.

Personalizing learning to meet the needs of all students, and encouraging students to take ownership of their own success.

Developing the whole child by providing a variety of learning experiences that extend beyond the classroom.

Focusing all resources—people, time, and money—on the critical task of maximizing student success.

### **We commit to collaboration by**

Sharing in decision making, practicing interest-based problem solving, and engaging in professional learning communities.

Developing partnerships that increase opportunities for students and foster community pride.

Engaging in active, open communication within an environment where it is safe to express differences, share successes, and learn from our mistakes.

### **We commit to continuous improvement by**

Measuring student growth and learning with quality assessments that inform decision-making and instructional improvements.

Using thoughtful, systematic processes to evaluate and improve all programs, strategies, and practices.

Ensuring all members of the school community embrace our mission to learn and grow.
