Re: FY2017

Dear Lessor:

Batavia Public Schools is requesting quotes from qualified institutions to finance the purchase of approximately 54 desktop and 216 laptop computers. The anticipated base cost of the equipment is \$264,000, with delivery anticipated in June, 2016. A **3-year non-tax exempt fair market value** lease type will be considered. Proposals must be **received by 3:00 PM on Friday, April 8, 2016**. Additional requirements are as follows:

1. Lease rate, estimated APR and monthly payment are specified.
2. Options and cost for monthly or yearly payments are included.
3. The contract contains a governmental "non-funding" clause.
4. A copy of the proposed contract must be presented.
5. A list of one to three references of Illinois public schools is available for contact.
6. A profile of your institution is enclosed.

Included below are the equipment specifications to assist with fair market value calculations. The equipment specifications and quantity is approximated and subject to change.
