### **Rotolo Middle School Named 2016-17 RAMP School by ASCA**

**October 26, 2016 (Batavia, IL)** - The American School Counselor Association (ASCA) just named Rotolo Middle School a Recognized ASCA Model Program (RAMP) school. The RAMP designation, awarded for aligning with the criteria in the ASCA National Model, recognizes schools that are committed to delivering a comprehensive, data-driven school counseling program and an exemplary educational environment. The RAMP designation is valid for five years, after which time schools must reapply to maintain their RAMP status.

Since the RAMP program's inception in 2003, only 600 schools nationwide have been designated as recipients. Rotolo Middle School is one of three middle schools in Illinois to currently hold this designation.

"This year's RAMP honorees have shown their commitment to students and the school counseling profession," said Jill Cook, ASCA assistant director. "These schools used data to drive their program development and implementation so all students can achieve success. RAMP designation distinguishes these schools and encourages school counselors nationwide to strive for excellence."

Rotolo Middle School will be honored at a recognition ceremony at ASCA's annual conference in Denver, Colo., on Monday, July 10, 2017, for making an exemplary commitment to comprehensive school counseling programs.

"I could not be prouder of our Counseling Department for this tremendous accomplishment and for their dedication to RMS students and families," said Rotolo Middle School Principal Bryan Zwemke. "This well-deserved designation speaks volumes about the programs and services our Counseling Department has developed to support our students academically, socially, and emotionally."

RAMP applications are reviewed by teams of school counseling professionals. For more information about the program, visit [www.schoolcounselor.org/ramp](http://www.schoolcounselor.org/ramp).
