Batavia Public Library has teamed with CHIP IN Batavia to collect prom dresses for girls in our community. Gently used jewelry, shoes and purses are also appreciated. Dresses are free to all girls but financial donations are welcome and will be used to help with boys' tuxedo rentals, prom tickets, and costs and clothing for the eighth grade dinner dance. CHIP IN Batavia supports students in Batavia Public School District 101 who are homeless or on free/reduced lunch, with necessities and individual needs to help them succeed in school.

Drop off gently used dresses anytime **Jan. 9-Feb. 16** THANK YOU!

CHIP IN began more than three years ago when a community member learned that there were more than 50 homeless Batavia students who were living in temporary or transitional housing. A group of community volunteers formed to support these students and assist them by collecting donations of money, time, and talent to achieve the mission goals.
