Moms of tweens and teens are invited to Moms Connected as Michelle Damaray presents *Helping Your Teen Navigate Peer Relationships Online and In Person*. Bullying has been around forever but parents today face many new challenges with the additional use of social media in the lives of teens. How our young people interact socially has gone through a dramatic change. Join us as we discuss ways to help our teens develop positive peer relationships – in person and online. Find out how to respond if your child is bullied and how we can empower and equip our youth to become a positive influence with their peers.

Breakfast is provided!
