^{Text} Consider having your son evaluated for the US Development Program at Campton United

Campton United's Development Academy is part of U.S. Soccer and Campton is the only certified club in the Western Suburbs with this prestigious membership. The program focuses on the individual development of elite players in an age-appropriate learning environment that provides more frequent and higher quality training as well as more meaningful games - all critical for this stage in an elite player's development.

The US Development Program at Campton United has current openings for U12, U13 and U14 players for fall 2017. To find out more information, call Phil Knorr, Boys Director of Soccer at 630-377-9292 or email phil@camptonunited.com
