Nomad Theatre Company, sponsored by SELF, is a tuition-based educational program. Appearing around the Fox Valley Area, we produce a wide variety of projects all aimed at building self-esteem and leadership among youth grades 2nd through college. Cast members "create not imitate" by collaborating with the director to develop a unique show based on everyone's participation and imagination. Everyone plays a part, and no one is ever "just ensemble." We practice non-traditional casting.

Self-Esteem for Life Foundation (SELF) is a 501 C3 non-profit, charitable organization dedicated to building self-esteem and leadership among young people through the performing arts.

Arts Center of St. Charles, home of Nomad Theatre Company and Tracy Whiteside Photography, offers group classes, private lessons, and internships in all facets of acting, singing, music, and photography.
