Moms of tweens and teens are invited to Moms Connected as Jeff Frazier presents *Preparing Your Teen to Keep the Faith*. Most of us have heard the statistics: 70 percent of youth stop attending church when they graduate from high school. Nearly a decade later, only about half return to church. These are startling numbers but do we understand why this is happening? And is there anything we, as parents, can do to stop this trend in our own homes? Join Pastor Jeff Frazier as he takes a hard look at what is happening in our churches, how we can build into our teens' faith and what it really means to help them make it their own.
