

# Want to Work at Google, Twitter, Netflix, or Snapchat?

Learn how to code apps, join other high school girls who love technology, and make a difference in your community!

*All of my friends who have younger siblings who are going to college or high school - my number one piece of advice is: You should learn how to program.*

- Mark Zuckerberg, CEO, Facebook

**Join: Fox Valley Girls Coding Club**

**Powered by 25N Coworking**

## What is FVGCC?

- ▶ You will learn computer science with 40+ hours of instruction throughout the school year.
- ▶ You will work on monthly projects within a supportive group.
- ▶ You will build real world software including mobile apps and games.
- ▶ You will web chat with experts from the technology sector.

## Why Have A Girls Coding Club?

By 2020, there will be 1.4 million job openings in computer related fields.

Thinking of a career in computer science or just want to learn the skills to be successful in any major industry? This is the club for you. Looks great on a college application - and, learning to code is fun!

When: October 2016 - May 2017
