BPS101 Kindergarten Preview Scheduled for Thurs., March 1, 2018 Online Registration Now Open

January 10, 2018 (Batavia, IL) - Elementary schools within Batavia Public School District 101 will be hosting Kindergarten Preview sessions on Thurs., March 1, 2018. Parents of incoming kindergarten students are strongly encouraged to have their children participate in a session at their future school. To be eligible for kindergarten enrollment for the 2018-19 school year, children must be at least 5 years of age on, or before, September 1, 2018.

Kindergarten Preview is a one-hour session during which prospective kindergartners participate in activities as a small group. During this time, the child's fine motor, cognitive, speech and language skills are observed by BPS101 teachers. The session provides a positive kindergarten experience to incoming students and offers parents an opportunity to meet school staff members and ask questions. It is also the start of the BPS101 school enrollment process.
