## Summer Reading Club 2018

### **Dear Parent of a Batavia School District Student,**

During the month of May, a Batavia Public Library staff member will be visiting your child's elementary school to tell students about Batavia Public Library's Summer Reading Club 2018: Reading Takes You EVERYWHERE! The students will also receive their Summer Reading Club logbook on the day of their school visit, so be sure to check your child's end of the year materials for the logbook!

Rotolo Middle School students will also hear about the summer reading club and receive their logbook at school during the month of May.

### **WHAT IS SUMMER READING CLUB?**

**NEW THIS YEAR!** Children set goals and keep track of how many DAYS they hit their personal reading goal on their logbook, beginning May 25 through August 6.

### **WHO CAN PARTICIPATE?**

Anyone with a Batavia Library card can join as well as children who attended a Batavia elementary or middle school during the 2017-2018 school year. Batavia school students with a library card from another library are asked to choose ONE Summer Reading Club to participate in, either their home library or the Batavia Public Library. Younger children in the family are also welcome to participate and may pick up a logbook at the Batavia Library Youth Services Desk, or print one from the Library's webpage, beginning May 17th.

We ask children to wait until May 25 before they start tracking their reading for the Summer Reading Club.
