

**NIU Enhancing Engineering Pathways
and SHE Stem Herstory Education
are proud to present
STEM Saturday for K-5 BPS101 GIRLS**

**at Alice Gustafson School Gymnasium
Saturday, February 23, 2019
9 a.m. - Noon**

This open house-style event is free!

**Activities to include Banana DNA Extraction, Fancy Flight,
Buoyancy, Balloon Mobiles, and MORE.
Come join us to investigate the engineering design process!**

(During open house, parents will need to stay with their daughters.)
