Cinnamon Shamrocks

Ingredients

canned cinnamon rolls

Cut - roll each pinwheel out straight and cut it into five equal pieces, four clovers and one stem. If you want larger shamrocks, use two cinnamon roll pinwheels.

Pinch - pinch four pieces into loops and allow one to curve a bit as the stem.

Bake - bake these as you normally would per the instructions, but watch them closely as they won't take as long to brown since there is airflow between the pieces.

Ice - mix two drops of green gel food coloring in the icing and drizzle over warm cinnamon rolls.

Please remember to register early! Class status is determined one week before class starts.
