Dear Parent of a Batavia School District Student,

During the month of May, a Batavia Public Library staff member will be visiting your child's elementary school to tell students about Batavia Public Library's Summer Reading Club 2019: *It's Showtime at Your Library!* The students will also receive their Summer Reading Club logbook on the day of their school visit, so be sure to check your child's end of the year materials for the logbook! Rotolo Middle School students will also hear about the summer reading club and receive their logbook at school during the month of May.

Visit **BataviaPublicLibrary.org**, or call **630-879-1393 ext. 500** for more information about the Summer Reading Program, or special summer events.

Who Can Participate?

Anyone with a Batavia Library card can join as well as children who attended a Batavia Elementary or Middle School during the 2018-2019 school year. Batavia school students with a library card from another library are asked to choose ONE Summer Reading Club to participate in, either their home library or the Batavia Public Library. Younger children in the family are also welcome to participate and may pick up a logbook at the Batavia Library Youth Services Desk, or print one from the Library's webpage, beginning May 30.
