Navigating Classroom Technology Tools

Wednesday, January 22, 2020

6:15 p.m.

**Rosalie Jones Administration Center
335 W. Wilson St., Batavia**

Classrooms have increasingly incorporated technology into the school day, and students have many resources available to support their learning. Join Assistive Technologist Jocelyn Kotrba for a hands-on workshop to explore the available tools. Bring your child's Chromebook or a laptop and your child's login information (found in Powerschool).
