

Class of 2020,

On behalf of the entire staff of Batavia Public School District 101, we want to congratulate you on finishing your senior year. We are proud of you and all that you have achieved. You are a graduating class that will go into the record books for many reasons, and we couldn't be more proud of what you have accomplished in these circumstances.

We share your disappointment in not being able to be together at this time. Celebrating together in August will be nice, but it is not the same as celebrating you right now.

For now, the District is only able to celebrate virtually. Some of the different plans, photos, and videos are posted on [this page of the BPS101 website](#), and we will continue to update the site with any new messages or plans.

We hope that you, your family, and your friends can gather together- either virtually or in-person to recognize all that you have accomplished. You may want to consider timing your plans around one or more of the virtual recognitions such as the special message that is being posted at 7 pm on Wednesday, May 20th, the time that the graduation ceremony was originally planned. We will also let you know when the senior recognition is posted- we are anticipating that it will be finished soon.

When your caps and gowns arrive in early June, we will communicate out the day for the drive-through pick up. As allowed, we will set up some photo opportunities for you as well!

Sincerely,

Dr. Smith, BHS Principal

Dr. Hichens, BPS101 Superintendent
