

4-H Youth Development

Serving DuPage, Kane, and Kendall Counties

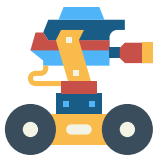

University of Illinois Extension
Youth Learning Opportunities
Winter/Spring 2021

WANT YOUTH ENGAGED AND INVOLVED THIS YEAR?

Check out these options from University of Illinois Extension:

short-term special interest clubs

FEB.-MARCH
ONLINE

ROBOTICS (AGES 10+)

Learn to build robots and program them to complete tasks or avoid obstacles. Check out a Lego EV3 kit from our offices and join weekly online meetings led by an experienced robotics coach, and work on your own design between sessions! [Get details @ go.illinois.edu/robotSPIN4Hdkk](http://go.illinois.edu/robotSPIN4Hdkk)

EXPLORE 4-H (AGES 8+)

Curious about 4-H or new to 4-H? Join us to discover six different project areas: visual arts, foods, leadership, photography, woodworking, and intercultural studies. Each week, the group will explore new skills and do an activity. [Get details @ go.illinois.edu/ExploreSPIN4Hdkk](http://go.illinois.edu/ExploreSPIN4Hdkk)

FEB.-MARCH
ONLINE

FEB.-MARCH
ONLINE

DOG TRAINING (AGES 8-18)

Interested in dog training? Find out about dog care, showing and obedience skills, fun tricks, and more. Members join online meetings to learn, and then practice skills at home. Youth can even upload videos of them working with their dogs to get helpful feedback. [Get details @ go.illinois.edu/dogSPIN4Hdkk](http://go.illinois.edu/dogSPIN4Hdkk)

BEEKEEPING (AGES 10-18)

Learn what the buzz is all about with bees! Get to know how bees behave, work, produce honey, and more with this hands-on, outdoor* monthly introduction to beekeeping (April-August). [Get details @ go.illinois.edu/beeSPIN4Hdkk](http://go.illinois.edu/beeSPIN4Hdkk)

APRIL-AUG.
OUTDOORS

one-day webinars

JUST FOR GRADES 6-12

Experience the design thinking process and discover the merits of human-centered problem solving with Siebel Center for Design at University of Illinois. [Learn more information and register @ go.illinois.edu/DesignThinking4Hdkk](http://go.illinois.edu/DesignThinking4Hdkk)
