

STEAMCamps

SCIENCE, TECHNOLOGY, ENGINEERING, ARTS AND MATH

Join us for an epic summer adventure.

Day and residential camps for aspiring scientists, engineers and creators are back in person.

Day Camps (Entering Grades 2-5)

Build friendships and develop your creativity as you explore food science, outer space, or art & technology.

Residential Camps (Entering grades 6-12)

Experience life on a college campus while immersing yourself in engineering, health careers, video game design and other STEAM fields.

**Explore!
Investigate!
Create!**
