

Thunder Run Raffle Prizes!

This year, students participating in the Thunder Run will get 5 raffle tickets on the day of the run to enter into raffles to win Teacher Experiences. They can earn 5 additional tickets just for registering on the Get Movin' website before the run.

Our incredible Storm teachers have volunteered their time and money to create fun experiences for our students to win. Some of these experiences are individual while others involve picking a friend to participate with the winner. The teacher will send a permission slip home and coordinate with the winner(s) and their parent/guardian to set up a time for their experience. On the back of this paper are the Teacher Experiences.

Questions? Email Alice at alicelohman@gmail.com

Register Here for the Run:
