

OUR WHOLE LIVES

Community 5th and 6th graders are cordially invited to join the Our Whole Lives (OWL) holistic sexuality education program.

- Ten-workshop curriculum is designed to help children gain the knowledge, life principles, and skills they need to understand and express their sexuality in holistic, life-enhancing ways.
- Introduces key topics like values, body image, gender and sexual identity, peer pressure, and healthy relationships with sensitivity and inclusiveness, yet without specifically religious doctrine or reference.

Please attend a parent orientation meeting on Sunday, December 4 at 12:30 at the Unitarian church (kiddie-corner from the original Geneva library) to learn details about the course, meet the facilitators, ask questions and register.
