

DESIGNS WANTED!

What represents Batavia to you?

*community | service | neighbors |
the river | industry | the arts*

Show us your ideas!

The goal of the flag is to celebrate our community and show pride for all that makes Batavia unique.

The final Community Flag design will be available to buy for Batavia residents. We will also offer coordinating garden flags. A portion of the proceeds will be donated to Batavia's new Flag Day Monument coming soon to downtown Batavia.

The design contest is open to all Batavia residents. See more details on the submission form.
