

Batavia High School

Grades served: 9-12

Current enrollment: 1,770 | Effective capacity¹: N/A

Constructed 1966 + additions 1969, 1971, 1995, 2009, 2011

Facility Condition Index¹: **Fair** (23%)

Specialized programs: • Positive Achievements With Supports (PAWS) for students who need additional educational support • Developing Opportunities (DO) for students with social-emotional or behavioral needs • Vocational Transition Program (VTP) for students with significant academic delays and communication/cognitive needs

Concerns

- Suitable spaces to serve students with special needs
- Outdated and worn science labs, elective classrooms, and library
- General space utilization and functional adequacy
- Aged flooring, finishes, doors, windows, roof, and mechanical systems

Anticipated Projects Budget Provided by Referendum Proposal: \$25 million

Needs

- Special education spaces with functional adequacy for students with special needs
- Renovation and additional science labs
- Modernized library to better accommodate new technologies and resources
- Expanded and modernized elective classrooms (particularly foods and vocational)
- Locker room and restroom improvements to improve cleanliness and privacy
- Flexible and adaptable collaboration spaces that accommodate a variety of seating arrangements, technology, and resources to allow students to work in small groups on projects, conduct research, and share ideas
