What to Expect

Caregivers will be asked to fill out an Ages and Stages questionnaire regarding their child's development in the areas of:

1. Communication: babbling, vocalizing, speaking, listening, and understanding.
2. Gross Motor: arm, body, and leg movements.
3. Fine Motor: hand and finger movements.
4. Problem-solving: learning and playing with toys.
5. Personal-social: solitary play and play with others.

Afterwards, you will have the opportunity to speak with an early intervention specialist to discuss the results and any concerns you may have.
