

Winter Reading Club combines reading and participation in Library activities. The goal is to encourage family sharing of stories and a variety of activities to help fill those long, cold winter days. Families who participate in Winter Reading Club must be Batavia Public Library cardholders or have children attending a Batavia school.

**Here's How It Works:**

- ♥ Each child in your family who is participating in Winter Reading Club should add their activities to their individual **Beanstack** profile or complete their own **log sheet**.
- ♥ **Choose activities** from those listed on the back of this sheet. For more options, check Beanstack. Once your child has completed an activity, write down the information requested.
- ♥ **Rewards**  
**Complete 10 activities** to earn a free book and a reward bag with themed items and coupons.  
**Complete 20 activities** to earn another book.
- ♥ **Virtual Prize Basket Drawings on Beanstack**  
Participants earn virtual tickets for the prize basket drawings after completing 10, 15, 20, and 25 activities on Beanstack.

Call (630) 879-1393, ext. 500, or stop by the Youth Services Desk, for instructions on how to redeem your log sheet for Winter Reading Club rewards and drawing entries. All Winter Reading Club activities must be completed and entered on Beanstack, or the paper copy turned in to the Youth Services Desk, by 9 pm, February 29.
