

Get Notified with Alert Batavia/CodeRED

AlertBatavia/CodeRED is an emergency notification system that enables Batavia's public safety agencies to notify the community about emergencies via phone, mobile, SMS, email, social media, and more.

The City of Batavia, Batavia Police Department, and the Batavia Fire Department encourages you to take action and subscribe for the service by providing your contact information to receive targeted alerts about emergencies that could directly impact your home, business, or family.

Alert Batavia/CodeRED will be used for time-sensitive emergencies, such as:

- Criminal Activity
- Boil Water Orders
- Missing or Endangered Persons
- Extended Power Outages
- Hazardous Materials Threat
- Traffic Crashes/Route Changes

Registration is free and simple. Text ALERTBATAVIA to the number 24639, or visit accountportal.onsolve.net/bataviaalerts. For more details about Batavia's CodeRED program, visit bataviail.gov/AlertBatavia.

Prefer to receive the mobile app push notifications?

Download the CodeRED app in the App Store or on Google Play.
