

SUMMER MANUFACTURING TOURS

EXPLORE YOUR FUTURE IN MANUFACTURING

Interested in robotics, manufacturing, or skilled trades?
Want to become an engineer, a machinist, a metalworker, or a
programmer?

GCAMP (the Greater Chicago Advanced Manufacturing Partnership) is excited to host transformational summer tours for middle & high school students interested in STEM careers within manufacturing and industry.

- Explore the educational pathways that align with high wage industry careers.
- Go "behind the scenes" to see how some of the products we use every day are made.
- Interact directly with engineers, plant operators, and other industry professionals.

Register for one or more manufacturing tours using a QR code below.

Limited spots are available. Parents, teachers, and counselors are also invited to attend, but each participant must register.
