

Adventure Begins at Your Library

Summer Reading Club 2024

May 24 - Aug. 5

Adventure Begins at Your Library is open to infants and children through 8th grade. This reading program encourages shared reading experiences for infants, toddlers, and preschoolers to help build early literacy skills, and encourages reading for enjoyment while helping maintain and improve reading skills during the summer months. By setting a personal daily reading goal, this program accommodates all readers.

Who can participate? Participants must have a Batavia Public Library card or have attended a Batavia elementary or middle school during the 2023-2024 school year or be spending the summer with a Batavia Public Library cardholder. Batavia students with a library card from another library are asked to choose one Summer Reading Club to participate in, either their home library or Batavia Public Library.
