

# LEVEL UP AT YOUR LIBRARY

## Summer Reading Challenge 2025

May 23 - Aug. 4

**Level Up at Your Library** is open to infants and children through 8<sup>th</sup> grade. Our reading program encourages daily reading, whether through shared experiences or independently. With the help of their caregivers, children set their own daily reading goal, which allows this program to accommodate all readers.

**Who can participate?** Participants must have a Batavia Public Library card or have attended a Batavia school during the 2024-25 school year or be spending the summer with a Batavia Public Library cardholder. Batavia students with a library card from another library are asked to choose one Summer Reading Challenge to participate in, either their home library or Batavia Public Library.

Preregister starting **May 9**,  
and spin the wheel for a prize!

join on Beanstack.

### How do I register?

- If you already have a Beanstack account, simply update your child's age and grade and join the Summer Reading Challenge 2025.
- If this is your first time, register your child on the Beanstack app or the Library's website. *We are happy to help you if you're having trouble.*
- For families who enjoy tracking their reading on paper, a paper tracking sheet is available on our website or at the Youth Services Desk.
