New Adventures Daily Schedule: Morning and Afternoon sessions

This enrichment program follows a daily schedule of activities that give participants a well-rounded experience with STEAM learning. The afternoon session schedule starts at 1 p.m. and follows the same timeline as the morning schedule listed below:

9-9:15 a.m.: Arrival

As children arrive, they have access to books, puzzles and STEAM-themed games.

9:15-9:30 a.m.: Circle Time

The teacher leads an interactive circle that includes stories on the week's themed topics, such as fall leaves, trees, wind and weather, or other STEAM-related topics.

9:30-10:30 a.m.: Centers

Students choose to participate in one of nine STEAM-related learning centers in the classroom focusing on science, art, writing, technology construction, math, sensory skills, reading or dramatic play.

10:40 a.m.: Washroom break and handwashing

10:45-11 a.m.: Snack and conversation

11-11:30 a.m.: Movement and music

A variety of music, singing, rhyming and dancing. These activities promote cognitive, physical, social and emotional well-being. They also help to improve coordination, gross motor and balancing skills.

Noon: Dismissal
