

Fox Valley Robotics

Interested in Robotics?

Attend an **Info Meeting** to see if our robotics programs are right for you!

Info Meetings **@Rotolo Middle School**
1501 S Raddant Road, Batavia - N11 doors

8/9 Saturday, 3pm (Grades 1-8)

8/10 Sunday, 1pm (Grades 1-8)

8/24 Sunday, 1pm (Grades 8-12)

1st-3rd Grade LegoWolves

In the UNEARTHED season, explore human history while designing and building an archeological journey! The LEGO model must include moving parts, a simple machine, and a new way to help archeologists!

Season: Jan - March
Team size: 4-6
Celebration Event:
Festival in March
(non-competitive)

4th-8th Grade LegoDogs

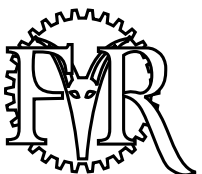

Build and program a LEGO robot to solve archeology-themed missions. Explore history with an engineering design project: innovate new technologies, talk to experts, and develop a prototype.

Season: Sept - Dec/Jan
Team size: 4-7
Competition: Qualifier in Dec, may advance to Sectional in Jan

8th-12th Grade Coyotes

Design, build, and program a metal robot to play against other teams on a 12'x12' field. On a team, iterate the robot to improve throughout the season, and strategize the best game plan for competitions.

Season: Sept - March
Team size: 4-8
Competition: Multiple tournaments as scheduled
